

Pediatric Feeding Institute
South Florida

Welcome to the intensive feeding program at the Pediatric Feeding Institute of South Florida. We are very excited for you and your child to be a part of our team. Before your evaluation we need you to complete the following:

- Please fill out the enclosed information packet and mail back to us at least 2 weeks before your first appointment. This should also include a prescription from your pediatrician stating:
Feeding evaluation and treatment with the appropriate diagnostic codes
Occupational therapy evaluation and treatment with appropriate diagnostic codes
Video swallow study with the appropriate diagnostic codes
Nutrition consult with the appropriate diagnostic codes

Your child will not be evaluated or treated unless we have the prescriptions

Information packet return address:

Fax:

Email:

- Please bring any documentation that would be beneficial with treatment (test results, therapy notes, MD reports, etc).
- Please call (561) 951-0434 to schedule the evaluation and for them to take your insurance information. This needs to be completed at least 2 weeks before the evaluation date to ensure authorization from your child's insurance is obtained. Evaluation Date and Time: **Friday, April 7 at 12:00 PM—Please arrive 15 minutes early to fill out paperwork**
- Be sure to have all of your child's medication, feeding equipment, change of clothes, diapers, etc. as we are unable to provide these personal items.
- If traveling from afar, please make sure you have housing arrangements prior to arrival. Enclosed you will find several options for housing, local activities, restaurants, and car rentals.
- Review directions to our clinic:
